Dear Justice Ross

I refer to this matter, and to a Statement made by the Commission in relation to it on 27 July 2021.

At [50] the Statement says “unless there is a request for an oral hearing the Application will be determined on the papers”.

Having made comprehensive submissions in relation to this matter on 20 August 2021, UWU does not request an oral hearing.

However, we note AHA filed a submission in reply on 27 August 2021. If the Commission would be assisted by UWU addressing any matter arising from that reply in the determination of this matter, we would be pleased to do so.

Regards
