Dear Associate

I refer to the Statement issued by Deputy President O'Neill on 29 January 2024.  
The ANMF intends to participate in the consultation process. I refer also to the mention listed for 10.00 am on Wednesday 21 February. I will appear on behalf of the ANMF, with my colleague Lauren Palmer as an observer.

I apologise for the late response to the Deputy President's statement, it was an administrative oversight on my part.

Kind regards  
Kristen Wischer
