Dear Associate,

We refer to the above matter and the statement of the Full Bench of the Fair Work Commission dated 14 February 2020 ([2020] FWCFB 788).

We provide the following suggested amendments to the draft variation determination for the *Hospitality Industry (General) Award*:

- Clause 15.1(b), insert the word 'ways' after the words 'in one of the following:'
- Clause 23.5, insert the words 'or accrued day off' at the end of the clause;
- Clause 26.5, insert the words 'or apprentice cook' after the word 'cook'.

Yours faithfully,

Phillip Ryan
