Dear AMOD team

I write to confirm that the submission lodged by MS Biddle stone this morning in relation to the plain English Draft of the Pharmacy Industry Award is fully supported by APESMA. We have been in contact with each other over every aspect of the proposed Draft and all the matters of concern contained in MS Biddlestone's submission are fully supported by APESMA

Because of severe illness I have not been able to provide a separate submission - but confirm that all matters contained in the SDA submission are supported by us and that we will not lodge any submission on the current proposed draft.

Regards
