Item 9

We write in relation to Item 9 of the Revised Summary of Submissions –Technical and Drafting, published on 22 November 2017.

In the Notes to Item 9 it states ‘*UV to provide submission in reply*’ and references the transcript of the Conference from 7 February 2017 and the Draft Report dated 17 February 2017.

The Union filed a submission in reply on 13 March 2017, and a further submission was filed on 27 June 2017. The Final Report dated 27 July 2017 notes in relation to Item 9 that ‘*Parties agree this item should be dealt with on the papers*’.

It is the view of the Union that we have provided the submissions required at this stage in relation to Item 9. We request that the Notes section in any further revisions of the Summary of Submissions – Technical and Drafting is accordingly updated.
