Dear Sir/Madam,

**AM2014/204 Health Professionals and Support Services Award 2010**

We refer to the above matter, our previous submissions dated 3 May 2016 and the Summary of Submissions dated 27 November 2017.

We confirm our position in relation to the following substantive claims:

- We oppose the HSU's proposal to vary the span of hours clause to provide for a single span of hours applicable for day workers.
- We oppose the HSU's proposal to vary schedule A and B of the award to provide an "indicative list" of common health professionals.
- We oppose APESMA's proposal to extend award coverage to Translators and Interpreters.

We reserve our position on the other substantive claims by these and other parties.

Kind Regards,

**Tom Glaister | Workplace Relations Adviser**
