Dear Senior Deputy President Hamberger

Subject: Passenger Vehicle Transportation Award 2010 (AM 2014/208)

I refer to the application by the Australian Public Transport Industrial Association to vary clause 4.1 (a) of the Exposure draft of the Passenger Vehicle Transportation Award 2014 with respect to Award Flexibility; more particularly to define when 'arrangements for when work is performed'.

I wish to withdraw the application as the issues raised by APTIA are being addressed in the 4 yearly review of modern awards – Plain Language – standard clauses (AM2016/15).

Yours faithfully

Ian MacDonald, National Industrial Relations Manager
