Dear Associate,

Re: AM2017/209 4 yearly review of modern awards—Pharmacy Industry Award 2010

We refer to the above matter in which we act for the Pharmacy Guild of Australia (“**the Guild**”).

In accordance with the Amended Directions of his Honour Vice President Hatcher dated 30 March 2017, the employer parties were directed to file an outline of submission and the findings we submit the Commission should make by 5:00pm Monday, 5 June 2017.

Our client is presently finalising its submissions and the findings sought of the Commission and we write to respectfully request a short extension of time until **5:00pm, Friday 9 June 2017** for filing.

We note that the APESMA submissions in reply are due to be filed on 12 June 2017. On the basis of the requested alteration to the Directions, our client has no objection to a corresponding extension of time being granted to APESMA and proposes that the direction for APESMA to file reply submissions be altered to **5:00pm Friday 16 June 2017**.

Ms Baulch, the relevant contact from APESMA has been carbon copied into our correspondence.

Please contact the undersigned should you have any questions concerning our correspondence.

Regards,
