Dear Your Honour

On 21st September 2016 you issued Directions relating to the filing of submissions regarding the APESMA claim for work value increases to the minimum wages for the pharmacist classifications contained in the Pharmacy Industry Award 2010. In these Directions you required APESMA to file an outline of submissions by 5 pm on 31st October 2016.

Unfortunately, because of other commitments relating to the current modern award reviews, including the plain language drafting of the Pharmacy Industry Award and periods of personal and family illness we are unable to file our initial outline of submissions by 5 pm today as required by these Directions

We write respectfully request your agreement to an extension on the time to file these submissions until 5pm on Thursday 3rd November 2016.

Please feel free to contact me if needed.

Regards

Jacki Baulch
