Subject: 4 yearly review of modern awards-Group 2 (AM2014/198 and others)

Dear Associate,

I refer to the above matter, the Decision ([2016] FWCFB 7254) issued by the Fair Work Commission in relation to the above, and the direction in that Decision for interested parties to provide feedback in relation to the revised exposure drafts.

I write to respectfully request that the NUW be granted an extension of time (to Friday, December 9) to provide any feedback in relation to the exposure draft of the *Storage Services and Wholesale Award 2016*.

I note that a number of parties have already been granted extensions in relation to the above matter and that granting this extension would not cause any prejudice to any other interested parties.

Should you wish to discuss this request please do not hesitate to contact me at any time.

Regards,

Dario Mujkic | Industrial Officer
