Subject: AM2014/231 - review of Horticulture Award 2010 - AWU response to [2018] FWCFB 1405

Dear Award Modernisation Team,

We write in response to the Award Review Full Bench Decision in [2018] FWCFB 1405 and specifically in relation to the Horticulture Award 2010.

The AWU's response to requests from the Full Bench for additional information is:

- Paragraphs [116] to [121] – Casual shift work issue: It appears this issue will shortly be resolved via amendments arising from the Casual and Part-time Employment Full Bench proceedings. In the unlikely event that this does not eventuate, the AWU reserves its right to request that this Full Bench deals with the issue. The AWU will urgently inform the Commission in that event; and
- Paragraphs [125] to [127]: Definition of 'ordinary hourly rate': The AWU does not oppose the amendment proposed by AIG.

Regards,
