Subject: Submission for Consideration - Horticulture Award 2010 AM2014/231

Good morning,

Please accept our submission for the Horticulture Award 2010 review – AM 2014/231.

In reference to

Clause 3.2 Horticulture Industry means:

(a) Agricultural holdings, flower or vegetable market gardens in connection with the sowing, planting, raising, cultivating, harvesting, picking, packing, storing, grading, forwarding or treating of horticultural crops, including fruit and vegetables upon farms, orchards and/or plantations; or

We propose making an addition to this clause:

Clause 3.2 Horticulture Industry means:

(a) Agricultural holdings, flower or vegetable market gardens in connection with the sowing, planting, raising, cultivating, harvesting, picking, packing, storing, grading, forwarding or treating of horticultural crops, including fruit and vegetables upon farms, orchards, plantations and/or in centralised packing facilities not on farm but handling produce grown upon farms, orchards and/or plantations by the same entity; or

Please let me know if any further clarification or information is required.

Thanks,
