Subject: AM2014/237 - 4 yearly review of modern awards - Miscellaneous Award 2010

Dear Modern Awards Review Team

We refer to the Decision of the Full Bench dated 12 February 2020 in [2020] FWCFB 754.

We note the request at [60] of the decision.

We have a number of members who have been purportedly excluded from Award coverage despite clearly falling within the category of workers intended to be covered by Modern Awards by Parliament.

Some employers have sought to use imperfect language in Award coverage and Award classifications to deny workers any Award coverage. We note the submissions of AIG and ACCI fail to identify any classes of workers as requested at [60] of the decision.

We welcome the decision and the impact it will have on the wages and conditions of many very low paid workers. We otherwise generally support the submissions of CPSU and UUU.

Kind regards
