Dear AMOD / Commissioner Lee,

I refer to the correspondence below.

The AWU has reviewed those items (9, 12, 13 and 16) and advise we no longer wish to press those items. Our submissions in respect of those items are withdrawn.

Due to the extensive scope of the 4-yearly review, the AWU does not have capacity to continue appearing for the Aged Care award.

We rely on our submissions to date.

Kind regards,
