Subject: AM2014/251 - Aged Care Award

Dear Fair Work Commission

The ANMF refers to the revised summary of substantive submissions regarding the *Aged Care Award* published by the Commission on 20 November 2017 and the invitation for feedback in the subscription email below.

Item S9 refers to the Aged Care Employers proposal regarding the rosters clause as “outstanding” and notes “ACSA to advise the Fair Work Commission within 14 days if they continue to press for alteration ...”

The ANMF notes that the Aged Care Employers advised Commissioner Lee in an email dated 25 September 2017 (**attached**) that they would not be pursuing this claim.

This advice is not reflected in the revised Summary of submissions and is not on the relevant page on the website.
