Subject: Report to Fair Work Commission Regarding Four Yearly Award Review: AM2014/252 - Air Pilots Award

Dear Associate

Report Concerning Four Yearly Award Review: AM2014/252 - Air Pilots Award

We refer to the email reports on this matter from (i) Jon Lovell and Kathy Srdanovic of Ashurst on Tuesday 5 September 2017 and (ii) Simon Miller of the AFAP on Friday 22 September 2017.

You will note the intention of the parties to provide a further update on the progress of discussions concerning Item S2 of the Revised Summary of Proposed Substantive Variations (Classifications and Minimum Salaries – Regional Airlines) by today.

Whilst proposed drafting regarding Item S2 has been considered, and communication between the parties on the proposed drafting has occurred, the parties are yet to reach an agreed position on this Item.

Considering that the Commission has already allowed the parties additional time to discuss the proposed drafting, and Item S2 generally, we propose allowing the Commission to include Item S2 as a matter on which it reaches an arbitrated decision regarding the *Air Pilots Award*.

The other parties to this matter are copied into this email.

Thank you for your consideration.

Yours sincerely

Simon Miller
