Dear Justice Ross,

4 Yearly Review of Modern Awards - Air Pilots Award 2010 and Application to Vary Award – Supplementary Submission

We refer to your Amended Directions concerning the 4 Yearly Review of Modern Awards, dated 10 May 2016, and to our submission in this matter dated 30 June 2016.

Further to our submission, we draw your attention to some outdated and incorrect terminology contained in the Award, which we consider ought be amended in this review process.

We do not consider that these changes will in any way alter the substance of the Award.

Specifically, we seek that the Commission, on its consideration of the Exposure Draft of the Award, undertake the following:

- Alter the references to “Beecherall” and “Beehcrrall” in Schedule B.1 to “Beechcraft” and
- Remove the references to “Senior Commercial Pilots’ Licence” in Schedules A.1.3 and F.1, which is obsolete terminology.

We trust that the Commission may be willing to make these further amendments.

Please contact Simon Miller at smiller@afap.org.au or on (03) 9928 5737 or should you have any queries or wish to discuss these matters further.

Yours sincerely,

Joanne Janes
