Subject: AM2014/254 Airline Operations - Ground Staff Award

Dear Associate,

I write with respect to the review of the *Airline Operations – Ground Staff Award* and Directions issued by Vice President Catanzariti on the 05 October. The parties were directed to update the Commission by Thursday 19 October as to the status of the technical and drafting issues.

The AMWU, AWU, ALAEA, ASU, TWU, Ai Group and Qantas Group have met a number of times over recent months with a view to resolving these outstanding issues. We had organised a final teleconference for Wednesday the 25th October (being the next available date for all the parties) to finalise our positions.

Given this, we respectfully request an extension of time until Wednesday 01 November to allow us to hold the final teleconference prior to reporting back to the Commission.

I have consulted with the other parties who agree with this proposed timetable.

We thank the Commission for its assistance.

Kind Regards,

Gabriel Miller
Assistant Research Officer
