Subject: Full Bench Hearing

Dear The Hon. Justice Ross

In regards to the Full Bench Hearing listed for Tuesday 6th December 2016 and in relation to the Association of Consulting Architects and Group 4C awards we would request that we be heard last in matter for group C as I my flight tonight has been delayed and I will not arrive in Melbourne till around 10.30am instead of 8.50am as scheduled.

I do apologies for any inconvenience I have caused the Commission but a family emergency coupled with bad fog in Dubai has added to the matter.

If this is not possible I would refer to our correspondence and submissions.

Your consideration in this matter is appreciated

Thanking you
