To the Chambers of the President, Justice Ross,

We are writing to seek an extension of time to file a submission pursuant to the directions dated 26 August 2016.

We filed the attached submission on 3 March 2015 covering three key areas which can be summarised as (1) loadings for performers in feature films, (2) shift penalties and (3) annual leave entitlements.

The Media, Entertainment and Arts Alliance oppose certain elements of our 2015 submission but our aim is to reach agreement with MEAA on the remaining substantive elements of our submission and then make a submission agreed by Screen Producers Australia and MEAA in lieu of having those discussions in front of the Commission. We believe if the parties can reach agreement this will work towards a more efficient review process.

We can commit to filing a submission by close of business on 10 November 2016 in line with the above and we apologise for any inconvenience caused by this delay.

Please do not hesitate to contact me should you have queries.

Kind regards

Mark
