Dear Associate,

I refer to matter above, the Report issued on 31 March 2017 and the Summary of Submissions – Technical and Drafting. The AWU was directed to confirm if it will continue to pursue items 10, 17 and 18 on the Summary by 7 April 2017. I apologise for the late filing of this correspondence.

We respond in the affirmative — the AWU continues to press those 3 items.

The AWU will confer with the parties and propose to submit draft directions by 19 April 2017 — the date currently set down for additional submissions on the Revised Exposure Draft.

If this course is not suitable, please advise.

Kind regards,

**ROUSHAN WALSH | NATIONAL LEGAL OFFICER**
