Dear Associate,

**Four Yearly Review of Modern Awards**

**Social, Community, Homecare and Disability Services Industry Award 2010 Aged Care Award 2010**

We refer to United Voice's claims made concerning the *Aged Care Award 2010* ('the *Aged Care Award*') and the *Social, Community, Home Care and Disability Services Industry Award 2010* ('the *SCHDS Award*').

We note the direction of the President of 26 August 2016 concerning the filing of draft determinations, the making of additional claims and confirmation that claims made are to be pursued and other matters.

The *SCHDS Award* is subject to conciliation before Deputy President Booth and that the parties have requested an extension of time to file submissions and draft determinations until after the conciliation process has concluded.

Further the issues raised with regard to the *Aged Care Award* are substantially similar to the matters under conciliation in the *SCHDS Award*.

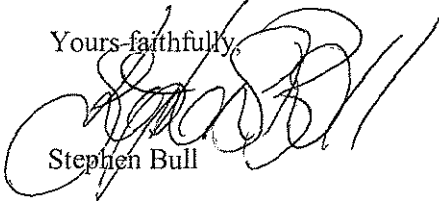

We note that parties concerned with the *Aged Care Award* have also requested an extension for the filing submissions and draft determinations until after the *SCHDS Award* conciliation has been concluded.

There is hope that if the parties can reach agreement in the *SCHDS Award*, agreement may

also be able to be reached for the *Aged Care Award*.

Accordingly, we have not included any material including draft variations for the *SCHDS Award* and the *Aged Care Award* pursuant to the direction made on 26 August 2016.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Stephen Bull', written over the typed name.
