Dear Ms Lord,

I refer to your email below and the AED Legal Centre's request for an extension of time.

If the AED Legal Centre wishes at a later date to file material derived from the documents produced pursuant to the order made against the Bedford Group, or any of the other orders for production which have been issued on the AED Legal Centre's application, it may do so. However subject to this no further extension will be granted beyond the extension already granted until **close of business 2 October 2017**.

Kind regards,

Dear Vice President Hatcher,

We refer to the orders issued yesterday and our request for further time.

We note that Bedford Group has been granted an extension by the Commission to produce their documents which is after the date in which AED is required to file its submissions and materials.

We therefore believe that this is another reason why AED should be granted an extension beyond 2 October '17.

Regards,  
Courtney for
