ImanageDocs.FID135807]

Dear Associate

On behalf of our clients Australian Business Industrial and the NSW Business Chamber, and the members of those organisations, I wish to respectfully request an extension of time until **5pm, Friday 15 September 2017** to provide an initial response in relation to the applications referred to below.

Given the numbers of orders sought and the fact that many of the parties are engaged in preparation of materials for hearing, the period of just over 48 hours provided by the email below is, with respect, not sufficient to liaise with relevant parties about the matter and the proposed orders sought, even on a preliminary basis. The additional time is required to closely review the relevance of the documents sought in the proposed orders to the award review proceedings.

I understand that NDS have already made a request for an extension of time on similar grounds.

Kind regards

Sina Mostafavi
