**Subject:** AM2014/47 - 4 yearly review of modern awards - Annual leave - Shutdown clause

Dear Registrar,

I refer to the above matter and the statement issued by Justice Ross on 15 May 2017.

The Association of Professional Engineers, Scientists and Managers, Australia – Collieries Staff Division ('APESMA') has had the benefit of reading the submissions of the Construction, Forestry, Energy and Mining Union – Mining and Energy Division ('CFMEU') filed in the Commission today (18 May 2017). At present, APESMA does not seek to make any additional submissions in respect of the Shutdown Clause issue other than to put on the record that APESMA supports the submissions of the CFMEU filed today.

Regards,

**Adam Guy**
