Subject: AM2014/67 - Black Coal Mining Award - Redundancy Substantive Matter

Dear Associate,

I write in relation to the Black Coal Mining Industry Award 2010, specifically relating to the redundancy substantive matter pursued by the Coal Mining Industry Employer Group (CMIEG).

The AMWU requests a brief extension so that our submission opposing CMIEG's claim, and supporting the submissions of the CFMEU and APESMA, can be made by 5.00 pm Thursday 7 July 2016.

Given the likely brevity of our submission, and the length of time between 7 July and 5 August, this delay should not place any party at a disadvantage.

Thank you very much for your consideration.
