IN THE FAIR WORK COMMISSION

Matter No.: AM2014/93

Re: *Vehicle Manufacturing, Repair, Services and Retail Award 2010*

CORRECTION TO AMWU SUBMISSION

1. Paragraphs 115 and 116 of the AMWU's submission dated 11 May 2016 contained an error and should be replaced with the following text:
 115. Take the case of an employee who usually earns \$1,000 as a base wage for a 38 hour week, plus \$400 in additional payments (such as overtime or Sunday penalties). They are promised a \$500 commission. The intent of the parties was that the commission payment could be set off against the additional payments so that the employee's take-home pay would be \$1,500 (\$1,000 basic wage + \$500 commission).
 116. However, the way that clause 24.5 is currently phrased allows the employer to set off the \$500 against the additional payments or the ordinary time earnings, meaning that the employee will only receive \$1,400 for the week.
