Dear Associate

I refer to the email below from Clayton Utz.

I confirm that it is AHEIA's position that, given that one party has indicated that it anticipates filing its material on Monday 6 June, it would be appropriate for all other parties to have the option to do so.

AHEIA intends to file its material on Monday and has no objection to the NTEU and AAMRI likewise filing early next week.

Yours sincerely

Higher Education – Academic Staff – Award 2010 (AM2014/229)

Higher Education – General Staff – Award 2010 (AM2014/230)

Dear Associate

We refer to the above matters and the directions of Commissioner Johns dated 20 April 2016.

We advise that unfortunately due to delay in finalising some witness and associated materials, including for some witnesses presently overseas, unfortunately we are not in a position to file our submissions and witness statements in reply today and anticipate filing our clients' materials this coming Monday 6 June 2016.

We have contacted each of the other main parties in the proceedings and have informed them of our intention to file our materials on Monday. We understand that the AHEIA may also be seeking to file their materials on Monday 6 June 2016. The NTEU and AAMRI may still file their materials in reply today, but obviously we have no objection to them filing early next week should they wish to do so.

If you have any queries please do not hesitate to contact us.

Regards

Annabelle Lesage, Lawyer
