Subject: AM2016/23 - Request to vary directions

Dear Vice President Hatcher,

In accordance with the directions in AM2016/23 - 4 yearly review of modern awards – Construction Awards, dated 26th October 2016, HIA seeks a variation to the Directions to allow an extension of time until 5.00pm Friday 17th March 2017 for the filing of submissions and evidence in reply.

HIA requests this extension of times on the basis that matters beyond our control, being a decision of the Commission in relation to Queensland Apprentice terms and conditions of employment require considerable attention and resources from the HIA and will impeded our ability to have reply submissions finalised by Friday 10 March.

We note that the majority of interested parties were granted an extension of time of one week to file submission in support delaying the filing of those submissions from 2 December to 9 December 2016.

We appreciate you considering our request.

Kind regards

Melissa Adler
