Dear President Ross,

Re: Submission in Reply to Drafters notes AM2014/209 and AM2016/15 - Pharmacy Industry Award 2010 - Plain language re-drafting

Business SA provides this submission in response to directions issued on 19 December 2016.¹ Interested parties have been requested to reply to the **drafter's** comments at two points in the Summary of Submissions² as follows

- i) Page 9 of the Summary of Submissions deals with clause 10 of the exposure Draft, part time provisions. Business SA did not make submissions regarding this clause and will rely on the submissions made by the interested employer parties regarding this matter.
- ii) Drafter comments on page 12 of the Summary of Submissions deal with clause 14(1)(e). Business SA made submissions³ regarding this subclause on 2 September 2016 in which we stated that the 'clause has been subject to a substantive variation which should be reversed'.

Business SA notes the drafter's comments⁴ and having reviewed the transcript and discussed this matter with the Pharmacy Guild of Australia, we will rely on their submissions with regard to this matter.

Should you require any further information or have questions, please contact Karen van Gorp, Senior Policy Adviser, on (08) 8300 0000 or karenv@business-sa.com.

Yours sincerely,

Karen van Gorp
Senior Policy Adviser
