Dear Associate

Unfortunately, due to staffing and handover issues Business SA was unable to comply with the directions issued on 19 September 2017 with respect to the Cleaning Industry Award to file submissions on the plain language exposure draft by Friday 6 October 2017.

We respectfully request that the Commission grant an extension of time until close of business on Thursday 12 October 2017 for the filing of this submission.

We apologise for any inconvenience caused and thank the Commission for consideration of this request.

Please do not hesitate to contact me should you require any further information.

Yours sincerely
