Dear Associate,

The following link is to an article the AWU intends to refer to during the hearings in Matter AM2016/23:

<https://www.businessinsider.com.au/theres-a-creeping-problem-with-wages-in-australias-economy-and-only-companies-can-fix-it-2017-3>

It would be appreciated if a copy of the article could be provided to the Full Bench members as I will be appearing in Sydney.

Regards,
