Subject: FW: Re email AM2016/24 - Notice of Listing & Coverage Issues

Dear Matthew,

As per our telephone conversation, I note you now have conduct of the proceedings in relation to the above matter on behalf of the UNHCR.

Please see the below correspondence noting Oxfam Australia, Greenpeace Asia Pacific and Amnesty International Australia have decided to withdraw their applications to alter coverage the SCHADS Award.

We note that the UNHCR lodged an F46 Application to vary a modern award. However, the application lodged by the UNHCR does not outline any variations that the UNHCR seeks in relation to the SCHADS Award.

As such, we request you inform our chambers whether the UNHCR seeks variations to the Award.

Further, should you wish to subscribe to our email list so that you receive updates in relation to the above matter, please contact our AMOD team who are copied into this email.

Kind regards

Josh Martin
