Dear Vice President Catanzariti

With regard to the “broadacre field crop” issue referred to in our email correspondence of 31 August 2017, we advise that discussions have taken place between Ai Group, the NFF and the AWU.

The parties remain hopeful of reaching agreement on the issue. We anticipate being in a position to advise the Commission of whether or not agreement has been reached and, if so, the terms of the agreement between the parties, by next Wednesday afternoon.

Yours sincerely
