Dear Helen

The Guild did contact me this morning with their request for an extension in filing their submissions and evidence in relation to our work value claim. They also proposed an extension for APESMA to file their response. In addition, the Guild also indicated that they would be requesting that the Hearing dates for 30 April and 1 May be vacated because they will now only have 3 to 5 witnesses instead of the 20 odd they originally said they would be bringing forward.

I confirm that we have that we have no objection to their proposed changes.

Regards  
Jacki

Dear Associate

**Pharmacy Award - Work Value Case AM2016/28**

We act for the Pharmacy Guild of Australia in these proceedings.

Due largely to involvement in other hearings listed this week and next, we respectfully request a short extension to file the Guild's submissions and evidence.

We anticipate filing between 3 and 5 witness statements, fewer than originally estimated when the hearing dates in this matter were set. On that basis, we do not think 8 days (as currently set) are necessary for the hearing of the matter.

With the consent of APESMA, we respectfully request that the timetable be varied as follows:

1. That the Guild file its evidence, submissions and any other material that it wishes to rely upon by 18 April (currently 11 April);
2. That APESMA file submissions and any material in reply by 30 April (currently 23 April);
3. That the matter be heard on 7,8,9,10 and 11 May (currently 30 April, 1,2,7,8,9,10,11 May).

We look forward to receiving response in due course.

Sincerely

**Sharlene Wellard | Principal**
