Dear Registry

RE: AM2016/28 – Pharmacy Industry Award 2010

We act for the Pharmaceutical Society of Australia (PSA) a peak national organisation which represents the interests of pharmacists.

We write in relation to the 4 yearly review of the *Pharmacy Industry Award 2010 (Award)*.

On 14 December 2018, the Full Bench of the Fair Work Commission issued a decision ([2018 FWCFB 7621] in relation to the work value claim advanced by the Association of Professional Engineers, Scientists and Managers, Australia. At paragraph [199] of the decision, the Full Bench invites interested parties to file further written submissions on certain matters within 28 days of the decision, being by Friday, 11 January 2019.

The PSA is an interested party and currently intends to file written submissions.

In circumstances where the PSA has an annual close down over the new year period, and will need an opportunity to obtain the views and input from its members and relevant personnel, the PSA respectfully requests permission to file its written submissions by Tuesday, 19 February 2019.

If the Fair Work Commission requires any further information, please contact Harriet Eager on (02) 9921 4932 or Steve Forster on (02) 9921 4239.

Yours faithfully

MinterEllison
