Subject: AM2016/3 Proposed Helicopter Award

Dear Associate to Deputy President Hamilton,

I just tried to call chambers to discuss this request prior to emailing without success.

I am writing on behalf of the AMWU, AWU and Babcock to request an adjournment of the mention due to occur tomorrow 2 February 2018 to allow for some time for the parties to further narrow the issues in dispute regarding the terms of the proposed Award.

We have been in preliminary discussions and believe that we can further narrow the issues through a conference between the parties. Babcock and the AMWU will be organising a conference to occur before Friday 16 February 2018, with the exact time currently being worked out from a few options.

We would be ready to report back with the outcome of discussions after Friday 16 February 2018.

This will hopefully save the Commission time arbitrating only the issues which are in dispute between the parties.

Regards

Michael
