Dear Sir / Madam

We are a 7 days-a-week Private *General Practice* Clinic (as opposed to a 7 days-a-week Private Medical Imaging Practice).

Dandenong Superclinic is open from 8 am to 10 pm every day of the week/365 days of the year and Box Hill Superclinic is open 7 days-a-week /365 days of the year from 9 am to 12 midnight.

We refer you to Part 5 of this award which covers Hours of Work and Related Matters, in particular Clauses 24.2 and 24.3

We submit that these Clauses should be merged so that the hours or work currently described in Clause 24.3(b) can also be applied to a 7 day *General* practice and not just imaging practices.

It appears discriminatory to only specify one particular sector of the health industry.

Regards

***Mrs Jo Chew***
