Medical Imaging Employment Relations Group (MIERG) has held the view that from the making of the Health Professionals and Support Services Modern Award (the Award) that the List of Common Health Professionals contained in Schedule C of the Award are exhaustive and not indicative

Following recent consultations with representatives of Australian Dental Association (ADA) MIERG supports the Submission of ADA and Australian Dental Prosthetists Association (ADPA) which hold the same view as MIERG, namely that the Award List of Common Health Professionals contained in Schedule C of the Award should be exhaustive and not indicative

MIERG supports the Submissions of ADA and ADPA in this Matter
