Dear Josh

As you are aware, my two witnesses and I will be appearing via video link from Brisbane on Monday in the Health Professionals award matter. Therefore, I will not have an opportunity to hand up a copy of this DHAA survey conducted in June – August 2017. Dr Melanie Hayes may refer to this survey on Monday during her evidence, as the survey relates to item 21 of her Witness statement of 13 March 2017.

As a consequence, could I please ask for your assistance in arranging to have several copies of the document ready for distribution to the Bench and the parties, before or at the time Dr Hayes takes the stand to give her evidence on Monday afternoon.

It is a simple, brief document which can be readily perused by the parties immediately before or during Dr Hayes' evidence. I apologise for the short notice.

Regards,

Katrina Murphy
