Dear Associate,

Please accept my apologies for our delayed response. I confirm the AWU will not be further participating in the ongoing proceedings for the *Road Transport (Long Distance Operation) Award* and the *Road Transport and Distribution Award*.

The AWU do however have an interest in both awards and are supportive of the TWU's submissions in these proceedings. We ask that our position be brought to the attention of the Full Bench.

Kind regards,

Dear Mr Walsh,

As no parties are seeking to vary the *Waste Management Award 2010* in these proceedings any longer, I presume the AWU will not be filing submissions or participating further. Could you please confirm this?
