Subject: AM2016/33 - 4 Yearly Review - Graphic Arts Award

Dear Deputy President Gostencnik

AM2016/33 - 4 Yearly Review - Graphic Arts Award

We refer to the above.

The Printing Industries Association of Australia (PIAA) has previously expressed its view that it supports the AMWU's proposed updates to the Award's competency units to reflect the modernisation of the Award consistent with a new industry training package.

This view has not changed.

Kind regards

Paul
