Dear Kerryn,

Thank you for your email.

AIMPE will consent to the issue of Elect/ETO rates/relativity being referred to a single member for Conference and Report back to the Full Bench.

AIMPE agrees that this will ensure the efficiency and best use of the time available at the Full Bench Hearing on Monday and Tuesday the 24<sup>th</sup> and 25<sup>th</sup> October.

I have copied the other parties and the Commission into this email, to keep them informed of our correspondence.

Regards,

*Nathan Niven*

**Subject:** FW: 4Yearly Review of Modern Awards - Seagoing Award [HW-Active.FID1013850]

Dear Nathan

We act for CSL Australia Pty Limited (**CSL**) in the proceedings relating to the *Seagoing Industry Award 2010 (SIA)* which have been referred to the Full Bench (AM2016/5).

We refer to the witness statement of Mr Henning Christiansen filed earlier this week. As you know, CSL opposes AIMPE's application to add the Electrician/Electro Technical Officer classification at the Second Mate/Second Engineer grading in Part A of the SIA, in so far as CSL's position is that this is not the appropriate grading and that an analysis should be undertaken to determine the correct grading for the Electrician/Electro Technical Officer classification.

Given that Mr Christiansen's statement was filed this week, and other parties have therefore had limited time in which to respond, we wish to propose that the parties ask the Full Bench to refer this matter to conference before a single member of the Commission to deal with issues of work value so as not to take up the Full Bench's hearing time with what we anticipate will be a detailed analysis required to determine the appropriate grading. In making this proposal, we also note your advice to the Commission that Mr Christiansen will not be available for the hearing on Monday and Tuesday.

Please let us know if AIMPE would consent to that proposed course, in which case we will invite the other parties to indicate whether they would also consent to the proposal.

Please contact me on 02 8267 3809 should you wish to discuss.

Kind regards  
Kerryn
