Dear Sir/Madam

We are the solicitors for the CFMMEU - MUA Division and refer to the correspondence from Livingstones & SHR dated 8 April 2019 in this matter.

The correspondence states that the Full Bench has 'made' draft determinations. This is simply not the case. In the last statement of the Full Bench [2018] FWCFB 504 revised draft determinations were published for consideration by interested parties. Parties were provided until 15 February 2018 to comment. On 15 February 2018 we filed submissions opposing the draft determinations in relation to the Seagoing Industry Award 2010 and the Ports, Harbours and Enclosed Water Vessels Award 2010. In those submissions we also indicated that the draft determination for the Marine Towage Award 2010 was appropriate. Since the making of the submissions the Full Bench is yet to finalise the draft determinations and indeed submissions have been made by interested parties on 9 and 16 March 2018 and 1 June 2018.
