**Subject:** M2017/49 - Fast Food Industry Award 2010 - Substantive issues

Dear Associate

We refer to the above proceeding, and note that the parties filed submissions in the proceeding on 18 July 2019.

We note that in the *4 yearly review of modern awards Decision [2019] FWCFB 6077*, which has been posted to the above proceeding page of the Fair Work Commission website, the Commission stated:

[17] There are two outstanding issues in relation to the plain language re-drafting of the *Cleaning Services Award 2010* and these will be finalised in accordance with the process set out at in [2019] FWCFB 5409 at [42]. The plain language redrafting of the Fast Food award will commence in the coming weeks.

Could you please confirm if the draft determination from the substantive issues proceedings in relation to The Australian Industry Group part-time claim will be implemented into the Fast Food Industry Award 2010 prior to the commencement of the plain language redrafting.

Kind regards

Katie-Maree
