Dear President

***Fast Food Industry Award 2010 – Draft Determination***

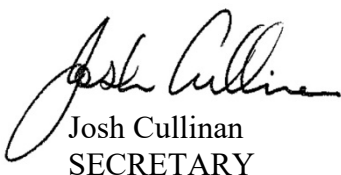

We write in accordance with the directions of the Fair Work Commission issued in [2019] FWCFB 4679 on 4 July 2019.

In light of the decision, we don't make further submission at this time.

We note the submission of NRA of 15 July 2019. The NRA had every opportunity to participate in the processes of the Fair Work Commission. It chose not to. In relation to the attempt to define the "regular pattern of work" we submit the clause is clear on its terms including by specifying the 6 dot points which all contribute to the meaning of "regular pattern of work". The work sought to be done by the NRA is done by the first three and sixth dot points.

Attempting to define the term, a term used in other Awards, is a much larger matter which ought be canvassed in the ordinary way rather than by such a late application disguised as commentary on the draft determination.

Your sincerely

  
Josh Cullinan
