Associate – I write on behalf of our client (ASCTA) and also with the consent of the AWU and ASSA seeking an extension of 1 week to the reply to submissions Direction (currently due 1 June). The parties are very hopeful of having productive discussions about the classification matters (following the assessment of each set of submissions) and have arranged a telephone conference for 9am Thursday 31 May 2018. Are you able to bring this to the attention of Deputy President Sams so that he might consider the extension request. Thank you

Kind Regards,

Chris Campbell
