Subject: RE: AM2017/56 - Sugar Industry Award 2010 - substantive issues

Dear Parties,

The outstanding matters for determination by this Full Bench are as set out in the Decision ([2017] FWCFB 5536) in AM2014/223 issued on 30 October 2017 as follows:

- Definition of seasonal employment;
- Coverage and 'sugar industry' definition;
- Hot work allowance;
- Schedule D (summary of hourly rates of pay);
- Piecework rates and casual loading; and
- Tool allowance.

The purpose of the mention on 2 March 2018 is to determine whether further conciliation would assist to narrow the issues in dispute and to program conciliation if appropriate or to program the matter for hearing and to issue directions accordingly.

Parties will not be expected to address the substantive issues at this stage but directions will be issued requiring submissions and any statements of witnesses to be relied on should the matter need to progress to hearing.

Kind regards,

CALLUM YOUNG
