Subject: AM2017/57 Restuarant Industry Award -Witness evidence

Dear Associate,

We write in regards to the Statement dated 19 November 2018.

United Voice takes the position that it is generally preferable that witnesses give evidence either in person or by video-link, unless there are special circumstances as to why a witness is unable to appear. It is our position that RCI have not made out that there are special circumstances as to why their three witnesses are unable to appear.

However, in the interests of this matter proceeding efficiently in accordance with the timetable, we withdraw our objection to the witnesses appearing by telephone on Monday 26 November 2018.

Warm regards,

Natalie Dabarera
National Industrial Officer
