Subject: AM2018/26 - NDS claims

Dear Associate

At the mention held on 3 April, National Disability Services (NDS) was directed to advise whether they intend to make any further claims arising from the collapse of the consent arrangement.

NDS confirms that the claims we intend to make relate to the same matters covered by the submission and draft determinations from ABI, NSW Business Chambers & others filed on 5 April. NDS will make submissions in support of those draft determinations and will not be filing additional draft determinations.

Regards
